Existing: Backup Software

Action Requested:

Add: ☒Modify: ☐Remove: ☐

Product Name:

Protect & Restore

Product Manufacturer:

Paragon

Product Description:

software to facilitate our backup

(Attach Product Technical Sheets)

Additional Comments:

EVALUATION CRITERIA

A. Product Reliability

1. Vendor / Product track record

Hardware Recommended-Idealstor

2. Vendor support required

N/A

3. Ease of use

Designed to specifically work with this

hardware.

4. Support required by RIC / school district

Same as any other supported backup

5. Potential to become "White Elephant"

None-low cost backup solution

6. Training requirements

N/A

B. Product-Price / Acquisition

1. Cost effectiveness

Very low cost solution

2. Acquire via NYS Contract or local bid

Local bid

3. Cost of operation and support

\$1699

4. Do any legal or contractual issues exist

None that I am aware of

C. Product-Relationship to Other Standards

1. Compatibility to existing Standards

This is the software to complement the existing standard:

Idealstor removable disk storage

2. What other options are available

Backup Exec-more expensive and different backup technology

3. Relationship to previous research and changes since that time

D.

BOCES-Service Needs

1. Define and explain the current need

There is a need for Data Deduplication backup that is cost effective.

2. What existing CoSer and RIC Service does it fall under

CoSer 7717 or 7710

3. What is the scope and size of the school population to be served

This backup will encompass data protection and restore for the District - approximately 1100 users

4. Instructional and/or administrative goal supported

Properly and efficiently backup our server data

5. Results of survey determining school district interest in using this product

Signature of person making request
